Selection Process & Deadlines

This show is open to any interested artist, regardless of location. Exhibitors will be chosen by a jury that includes a representative from Zona Rosa. Applications must be postmarked by **June 1, 2008. No registered mail or drop offs will be accepted for any reason.** You will be notified of the jury's decision in writing by July 1. Special requests for locations (must be on application) are honored according to receipt of application.

Application & Fees

Applicants must submit a minimum of five images of recent art work and an image of your booth display (including tent). These images can be either:

- 1) Digital: high resolution images, at least 800x600 pixels (.jpg format), on a CD. The CD must be labeled with the artist's name and medium.
- 2) Slides: professional quality 35-mm color slides in standard cardboard or thin plastic mounts only. Each slide must be clearly marked on the mount with the artist's name and medium. It should also clearly indicate (with an arrow) the true top of the image.

A separate application (with images) is required for each media category. You must include a self-addressed stamped envelope if you want your images returned. Please write your category on the outside of your application.

Media Categories

Drawing (pencil, ink, pastel, etc.), mixed media (2D and 3D), painting (oils, acrylics, watercolor, etc.), printmaking, sculpture, jewelry, photography, wood turning, fibers, and pottery. No craft items are accepted.

Display, Security & Setup

All two dimensional artwork that is hanging must be framed (with the exception of wrap-around canvases). Artists **MUST** provide their own display panels for hanging artwork, lighting and extension cords, and tent. 300 watts of electricity are provided to every space. All tents must be 10' x 10' and white **only**. All artwork and displays must be contained within 10'x10' tent. Smoking will not be permitted in tents during show hours.

Zona Rosa has on-site security 24 hours a day. However, each artist exhibits at his/her own risk. Neither Platte County Arts Council, its directors or committees, or Zona Rosa is responsible for any damage, theft, or loss of an artist's work or any personal injury of any kind. **This is an outdoor show: chance of rain and high winds are extremely likely - you are responsible for securing your artwork and tent appropriately.**

Artists must be set up on Friday by 4:30 p.m. Please unload your artwork and move your vehicle before setting up your display. **You will have limited time for unloading close to your tent: specific times will be assigned for unloading.** Zona Rosa will be open during setup, and you must adhere to the same rules patrons abide by. More specific setup instructions will be sent separately once you have been accepted.

Exhibitor Standards

All work must be of original design, executed and signed by the exhibiting artist. Reproductions are allowed but the **majority of the work must be original and handcrafted by the artist.** The work must match the quality and style of work as represented in the submission to the jury. The Arts Festival Committee reserves the right to remove any art or any exhibitor whose work varied widely from his or her images during the show. Dealers, representatives, or sit-ins are prohibited. However, we encourage bringing help for breaks.
